For 40 years I have collected sayings that caught my interest. Some sayings came from seminars I attended, some from speeches or television shows, and some from sugar packets and candy wrappers. I wrote them on pieces of paper, napkins, and notebook paper. So, after 40 years of collecting, what do I do with all these notes? I did not want to throw them away, nor did I want to keep them stored in a drawer! So, this book has become the place where I will keep and share sayings that I have enjoyed collecting. There are no credits listed because at the time I was only interested in what the sayings meant to me. Size: 5.5x8.5." Pages: 188.
