Porsche's front-engined four-cylinder cars introduced thousands of enthusiastic drivers to the joys of Porsche ownership. Here Michael Cotton delves deeply into the background of Porsche's 924, 944, and the ultimate derivative, the 968. Cotton's text embraces the cars' design, development, production history and competition achievements, together with important buying and ownership advice. Extensive appendices list technical specs, production milestones, and performance figures for each model range.
