Staudinger A comprehensive commentary of the German Civil Code, offering an ideal combination of innovation and tradition!

Tradition entails responsibility: since 1898 Staudinger has been associated with the German Civil Code and has shared in its development.

Competent: Staudinger is a reliable source of practice-oriented, expert information on changes and developments in legislation, court rulings and literature.

One step ahead: points of controversy or unsolved legal issues are systemically discussed in Staudinger and new, independent approaches to a solution are developed.

The German Civil Code and more: in addition to the commentary of the Civil Code, the complete Staudinger offers a comprehensive commentary of important supplementary legislation, as well as detailed explanations of private international law.

The German Civil Code and Europe: Staudinger consistently takes into account the influences and developments of European private Community law.

Timesaving: thanks to systematic and alphabetical outlines and a detailed subject index, you can quickly find the information required.

A team of experts at your side: 139 highly qualified commentators guarantee a high standard of competent information for use in theory and practice.

Tried and tested: Staudinger is in daily use in renowned law offices, notary's offices and courts.

Always up to date: the development of legislation and court rulings determines the publication dates of new volumes. Volumes are replaced as the need to update the content arises.

Decide for yourself: use Staudinger just as it suits you, without any obligation to take all publications: either by purchasing single volumes, by taking out a partial subscription or a full subscription.

No risk: test Staudinger for 2 weeks without any obligation and then decide if you want to buy.
