They call him Big D because he is.

Tall and broad, with muscles so thick and good that all I can think about is getting a grip on his biceps and squeezing.

Then thereâ€™s the other reason.

All the girls talk about it. Iâ€™m not sure how everyone knows heâ€™s hung like a horse but they do.

I try not to think about it because heâ€™s a popular football player who everybody knows and Iâ€™m just the work-focused history major who likes to stay mostly invisible at school. But when my professor pulls me aside and asks if Iâ€™d be willing to tutor a failing student, suddenly itâ€™s impossible to ignore.

Iâ€™m going to be teaching Big D. If he doesnâ€™t pass heâ€™ll be off the team and they canâ€™t win without him.

Weâ€™re going to be together night after night, well, the ones Iâ€™m not working. I have two big secrets you see. Huge enough that I know for sure that Iâ€™m not right for Big D, even though I wish I was.

In my fantasies I imagine finding out if he really does live up to his name, but when trouble heads in my direction again, Dominic Ramsey might be the only one that can keep me safe.

Big D is a standalone Sports Romance with a happy ever after. It also features HUGE - A Stepbrother Romance for your continued reading pleasure! Enjoy!
