He's the sinfully sexy, off-limits client whose naughty blog showcases his best "asset." His prim and proper attorney has never been more tempted to mix business with pleasure... All About the D is a sexy new romantic comedy from USA Today bestselling author Lex Martin and bestselling author Leslie McAdam!

I'm known for being formal. Meticulous. Professional.

So youâ€™d never suspect I spend my nights photographing my impressive junk for a NSFW blog. Donâ€™t roll your eyes. Iâ€™m not bragging. I have millions of followers whoâ€™ll tell you they live for my posts.

Iâ€™m like a superhero, saving humanity one dick pic at a time.

Except leading a double life means I need someone to help me protect my anonymity, so that no one, especially my family, ever discovers my online celebrity.

When I call one of the most respected law firms in town, I expect quality legal advice and confidentiality. Not a sinfully sexy attorney whose dangerous curves and soul-piercing gray eyes make me want to personally demonstrate my particular skill set.

I shouldnâ€™t be tempted.

Especially when she knows all of my best-kept secrets. But everyone has a breaking point. And Iâ€™ve met mine.
